Cheshire Game on Father's Day: 15th June 2014

With expectations and excitement growing ahead of the MCCA quarter final between Cheshire and Herefordshire on Sunday, the recent poor weather cannot dampen the excitement ahead of the game.

Boughton Hall will stage the eagerly awaited game and a large crowd is expected at Filkins Lane. The Cheshire side, led by James Duffy, are looking to match the success of 2007 when they reached the final at Lord's.

Cheshire's team is set to include several familiar faces. First team captain Lee Dixon provides aggression in the middle order and is high on confidence following his exceptional 62 ball 103 versus Cumberland in the group stages. Opening batsman Warren Goodwin also starred in the group stage with an excellent hundred versus Shropshire. Cheshire also welcome back Jack Williams who stood out in his first season of minor county cricket last year.

Herefordshire will provide tough opposition and a hard fought match is expected. Fingers crossed the weather stays fair and hope is high for an enjoyable day.

The match starts at 11am with bar open all day and food available. The club will have a hog roast and bouncy castle set up and this will be a great day for all the family.

2XI T20 Match: 20th June 2014
